Discover the secrets of Web site Optimisation

Wednesday 14th January 2009

The Knowledge Exchange, Park Campus,
Boughton Green Road, Northampton

6.30 pm

David Thompson has devoted the last 18 years on his quest of personal development to uncover the secrets selling Throughout the 1990s David was the top Mortgage Adviser in the UK. From there he has gone on to become the founder of 7 successful businesses. Now David tells us how to optimise your business.

Completely self taught and passionate about personal development, David now spends most of his time building Best Deal Insurance, an award winning, highly successful business that has seen a doubling in turnover in the last 3 years and now employs in excess of 100 full time staff

David's presentation will be followed by a networking opportunity so don't forget your business cards!

To book a place at this event please RSVP to Sharon Irwin, Enterprise Club Manager at the address below.
